THE TUSCAN ROUTE

6 Days To Discover The Hidden Treasures Of Tuscany

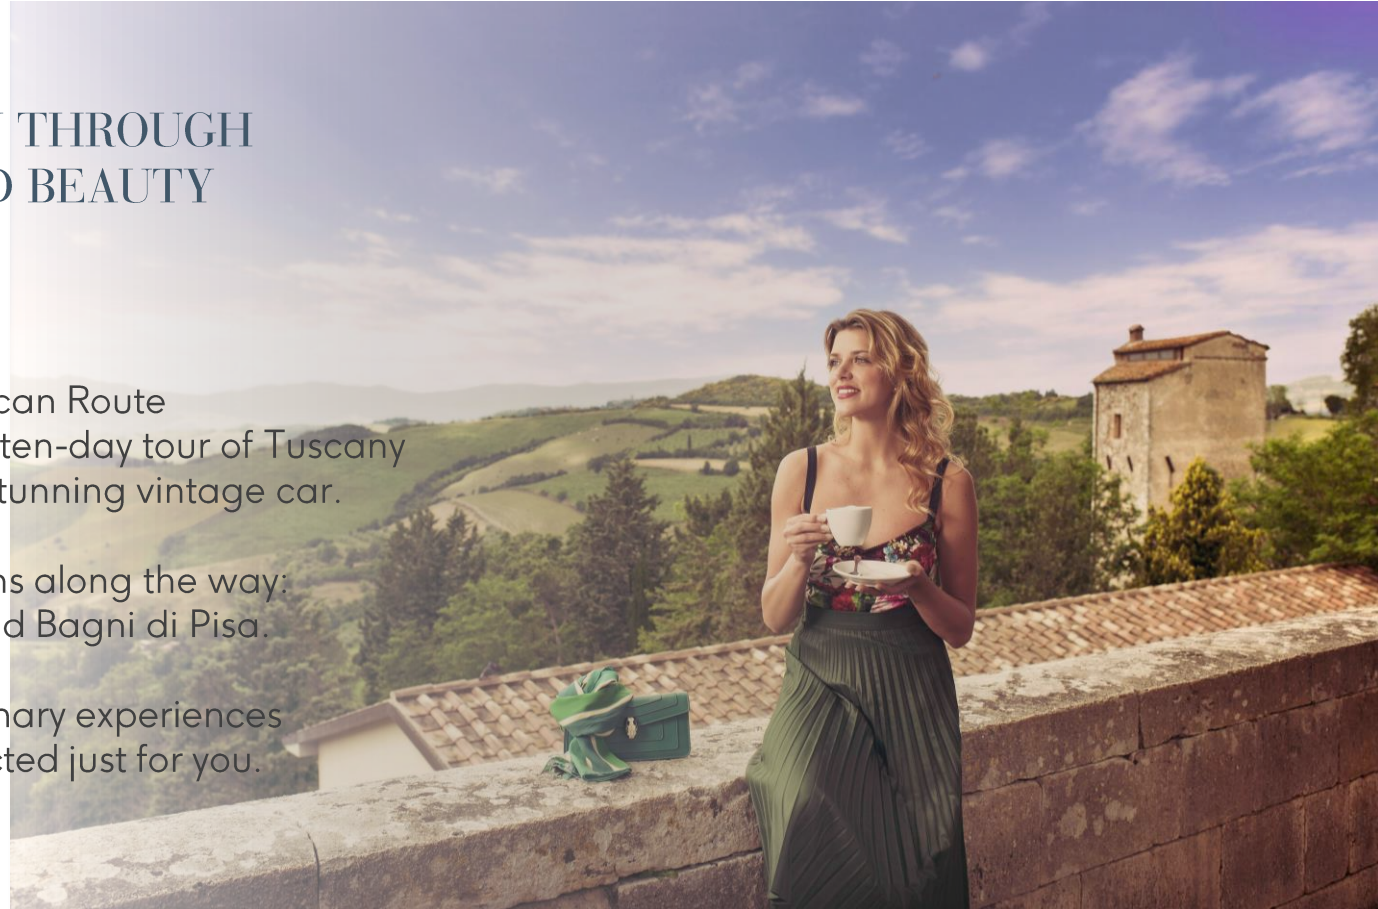

A JOURNEY THROUGH TIME AND BEAUTY

Our Tuscan Route
is a lifetime journey: a ten-day tour of Tuscany
at the wheel of a stunning vintage car.

Two destinations along the way:
Fonteverde and Bagni di Pisa.

Out of the ordinary experiences
we have selected just for you.

— FONTEVERDE —

PLUNGE INTO THE RENAISSANCE IN VAL D'ORCIA

Fonteverde is a balcony overlooking the Tuscan hills, in a landscape which looks just like a painting. At Fonteverde we're proud of our thermal spa, and we've created a whole range of revitalising remedies just for you: relaxing massages, detoxing thermal mud applications and the cool freshness of our anti-ageing treatment.

BAGNI DI PISA

THE GRAND DUKE'S THERMAL SPA, FAVOURED BY KINGS

Bagni di Pisa is a historic residence built in the 18th century to enable Francis of Lorraine, Grand Duke of Tuscany, to enjoy the thermal springs here.

It later became a magnificent spa hotel and has played host to kings, queens and great artists over the centuries.

DRIVE THROUGH TUSCANY IN VINTAGE STYLE

We've put together a fleet of marvellous vintage cars to make your Tuscan Route truly unique.

Choose an Alfa Romeo "Round-tail" – as seen in *The Graduate* – or an ultra-sleek "Kamm-tail".

Connoisseurs of classic Italian style will adore our gorgeous Fiat 124 spider and 1963 Fiat 1500 cabriolet.

If you love the wind in your hair, why not go for an English sports car: a Triumph Spitfire, MG Roadster or even a Morgan 4/4 plus.

And for vintage chic with a laidback vibe, how about a convertible VW Beetle or a delightful Peugeot 304 cabriolet?

HIGHLIGHTS OF THE TOUR

UNMISSABLE EXPERIENCES CLOSE TO OUR HOTELS

To ensure you experience the very best of Tuscany as you tour by vintage car, we've tracked down unmissable activities, places and sights close to our hotels.

ALL AROUND FONTEVERDE

THE ETRUSCAN TOMB OF THE “INFERNAL QUADRIGA”

Sarteano, around 16 km from Fonteverde

Sarteano is home to a breath-taking find from the age of the Etruscans: the Tomb of the Infernal Quadriga, dating from the IV century B.C.

VISIT THE HISTORIC TOWN OF MONTEPULCIANO

Montepulciano, around 35 km from Fonteverde

This world-famous historic town lends its name to Nobile di Montepulciano, one of the finest of all Tuscan wines.

Piazza Grande is renowned as the movie location for parts of The Twilight Saga: New Moon.

ALL AROUND FONTEVERDE

WINE TASTING AT THE AVIGNONESI WINERY ("LE CAPEZZINE")

Valiano di Montepulciano, 45 km from Fonteverde

Why not treat yourself to a visit to the Cantina Avignonesi wine estate in Valiano, near Montepulciano, complete with its own 19th-century villa, chapel and historic cellars.

It's the perfect chance to see where the wine starts out its journey, to experience the terroir and the whole wine-making process from vine to bottle.

ALL AROUND BAGNI DI PISA

THE SILENT SKIES: YOUR HOT AIR BALLOON FLIGHT.

Tassignano Airport, Capannori, around 20 km from Bagni di Pisa

TASSIGNANO AIRPORT

Take an unforgettable journey over the landscape around Lucca, in the oldest and most evocative of all flying machines.

Once you touch down, celebrate by tasting a selection of local wines and delicacies. At the end of the day, take home a first flight certificate signed by the balloon pilot.

ALL AROUND BAGNI DI PISA

GOLDEN OLIVE GROVES: A DAY DISCOVERING TUSCAN EXTRA-VIRGIN OLIVE OIL

Vicopisano, around 20 km from Bagni di Pisa

Tuscan extra-virgin olive oil is one of Italy's great gastronomic specialities. Your visit starts at the Romanesque church of San Iacopo in Lupeta; from here, stroll along to the olive estate where you'll find the oldest oil mill in Monte Pisano.

To round off your day, enjoy an extra-virgin olive oil tasting and lunch including a traditional local soup.

ALL AROUND BAGNI DI PISA

WEAVING HISTORY: TRADITIONAL WILLOW BASKET-MAKING

Avane, near Vecchiano, around 6 km from Bagni di Pisa

Just a few kilometres from Bagni di Pisa lies Casa Gentili, an age-old residence on the banks of the River Serchio. Here you'll learn the secrets of traditional willow basket-weaving. This timeless skill will take you back thousands of years and teach you how useful, beautiful objects can be crafted from a humble material

OUR TRAVEL TIPS FOR A PERFECT DRIVE

- You won't be able to plug in or recharge your smartphone, so remember to charge it every evening.
- Vintage cars weigh much less than modern cars and are much more responsive than you'd expect. Forget about ABS or traction control: if you brake sharply, the wheels will lock. You won't get the same grip as a modern car on wet surfaces or loose gravel.
- Remember that there's much less room for your legs – and your luggage. It's better to travel light, taking just the bare essentials with you.
- If you've chosen a convertible car, remember to pack sun cream.
- If you choose a convertible better wear a headscarf, tied in the old-fashioned way or a handy flat cap, Italians would call it a coppola.
